PUPIL PREMIUM MONEY 2018/2019

In the 2018 to 2019 financial year, the schools will receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years: £1,320 per pupil.

The allocation for this year is £178,040.

As a school we are using our pupil premium money to fund the areas that we have highlighted that are highly effective in raising standards and improving the rate of progress. We look at the whole child and put strategies in place to improve self-confidence, self-esteem, motivation, ability to work individually or as part of a team, the ability to face new challenges and to provide opportunities for leadership skills. This runs alongside the more academic areas that require more individual input.
